## The Entrepreneur-in-the-Making Assessment

The following assessment will enable you to decide if you've got the required entrepreneurial DNA.

This is not like a driving test, where you get a pass/fail result. It's an assessment of whether you have the traits of an entrepreneur – based on your opinion, no one else's. You are ultimately the judge and jury.

Please read each statement and answer truthfully. Do you agree that the statement describes you? Please be very honest with yourself.
